The Sixth International Conference on Teaching Statistics, Durban, South

Date: 7 - 12 July 2002Africa

GENERAL CALL FOR PAPERS

The International Association for Statistical Education (IASE) and the International Statistical Institute (ISI) are organizing the Sixth

International Conference on Teaching Statistics (ICOTS-6) which will be hosted by the South African Statistical Association (SASA) at the International Convention Centre in Durban from July 7 - 12, 2002.

The major aim of ICOTS-6 is to provide the opportunity for people from around the world who are involved in statistics education to exchange ideas and experiences, to discuss the latest development in teaching statistics and to expand their network of statistical educators. The Conference will include keynote speakers, invited speakers, contributed papers, workshops and forums, demonstration lessons, roundtable sessions, poster sessions, book and software displays, hands-on computer sessions and many opportunities for the communication and exchange of experiences and ideas.

The Conference theme for ICOTS-6 is "Developing a Statistically Literate Society" and special sessions on statistical literacy are planned.

The topics are:

Topic 1	<i>Statistics Literacy</i>
Topic 2	<i>Statistics Education at the School Level</i>
Topic 3.	<i>Statistics Education at the Post Secondary Level</i>
Topic 4.	<i>Statistics Education/Training and the Workplace</i>
Topic 5.	<i>Statistics Education and the Wider Society</i>
Topic 6.	<i>Research in Statistics Education</i>
Topic 7.	<i>Technology in Statistics Education</i>
Topic 8.	<i>Other Determinants and Developments in Statistics Education</i>
Topic 9.	<i>An International Perspective on Statistics Education</i>
Topic 10.	<i>Contributed Papers</i>

Other presentations: Abstracts of posters, software demonstration and other special sessions should be submitted to the IPC Executive by February 1st, 2002.

Details of the final submission arrangements of papers and other presentations will be announced later.

For more information please contact the Conference Chair or the IPC Scientific Secretary.
